The Charitable Gift Annuity: The Gift That Gives Back

With today’s low interest rates and roller coaster markets, you may be searching for a reliable and secure way to supplement your retirement income. When you establish a charitable gift annuity at the University of Virginia, you will receive guaranteed, fixed income payments for life. We can say this with confidence as all gift annuity assets are set aside in a reserve fund and backed by the full financial assets of the University of Virginia Foundation.

Attractive Rates

When you compare our gift annuity rates with what you might receive from a certificate of deposit, you will likely be pleasantly surprised. For example, the annuity rate for a 70-year old is 5.1%. At age 80, the rate is 6.8%, and if you are 90 or older, your annuity rate would be 9.0%. In other words, a $100,000 gift annuity would provide a 90-year-old person with an additional $9,000 every year.

Regular Payments

When you establish your gift annuity, you decide how often you want to receive your payments. While most annuitants receive their checks or direct deposits every quarter, others choose monthly payments. Whatever you choose, receiving regular payments on a specific date is helpful for budgeting purposes.

Fixed Guaranteed Income

Your payment will be locked in for life at the time you fund your gift annuity. It will not rise or fall with the economy. Instead, it will be the same every year.

Income for Life

Gift annuities are for life. No matter what your age as an annuitant or how...
long you live, your payments will continue to the end of your life. And if you set up a two-life gift annuity, when one person dies, the other continues to receive the same amount for the rest of his or her life. This benefit of ongoing payments can provide security for each spouse.

**Dependable Source**

The University of Virginia Foundation stands behind all of our gift annuity contracts. We have a reserve fund set aside to meet our obligations and, what’s more, we back up our annuity obligations with the full financial assets of the Foundation. You can be confident that your payments will continue without fail.

**Relief from Taxes**

Since part of your contribution for a gift annuity is considered a charitable donation by the Internal Revenue Service, you will receive an immediate income tax charitable deduction to apply to your tax return. Also, during your lifetime, you may be able to claim part of each annuity payment as tax-free income.

**Simple Process**

Setting up a gift annuity with the University of Virginia is simple. It can be funded with a minimum of $5,000 in cash, marketable securities, or even real estate. If you fund your annuity with appreciated assets, a portion of your capital gains tax is avoided and the remainder is paid over an extended period of time.

Note: The University offers gift annuities in most but not all states. Call the Office of Gift Planning or refer to our website to determine if your state is eligible.

---

**DON’T NEED THE INCOME TODAY? TRY A DEFERRED GIFT ANNUITY**

Like a charitable gift annuity, a deferred gift annuity offers you an income for life, based on your life expectancy, and an immediate tax deduction. The difference is in the timing of the payments. With a deferred gift annuity, you pick a date a year or more in the future to begin receiving payments. By deferring payments, you receive a larger income payment and a larger charitable deduction. For example:

*Mr. and Mrs. Baker (both age 60) are interested in funding a gift annuity to support the University. They plan to retire at 65 and want to find out how a five-year deferral will affect their annuity income. Here is a comparison between a deferred annuity and a non-deferred annuity, using a $50,000 gift.*

<table>
<thead>
<tr>
<th>Fund</th>
<th>Gift Annuity Immediate</th>
<th>Gift Annuity Deferred to 65</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rate</td>
<td>3.9%</td>
<td>4.9%</td>
</tr>
<tr>
<td>Funds Placed in the Gift Annuity</td>
<td>$50,000</td>
<td>$50,000</td>
</tr>
<tr>
<td>Charitable Deduction</td>
<td>$11,835</td>
<td>$13,553.50</td>
</tr>
<tr>
<td>Annuity Payment</td>
<td>$1,950</td>
<td>$2,450</td>
</tr>
<tr>
<td>Tax-free Portion of Annuity Payment</td>
<td>$1,288.95</td>
<td>$1,462.65</td>
</tr>
<tr>
<td>Quarterly Payment</td>
<td>$487.50</td>
<td>$612.50</td>
</tr>
</tbody>
</table>

Please note that these figures are accurate as of June 24, 2014, and are subject to change.

By deferring annuity income payments for 5 years, the Bakers receive a larger immediate charitable income tax deduction. They also increase their income and, potentially, the size of their gift to the University.
