

UNDERGRADUATE ADMISSION *and ENROLLMENT*

When the University of Virginia was founded in 1819, it was designed to serve the commonwealth of Virginia by producing citizen scholars highly capable of sustaining our democracy. Students are accepted on the basis of ability and outstanding qualities rather than wealth or status. UVA continues to uphold these values, investing in scholarships that make the University accessible to all students, regardless of socioeconomic status.

\$178 MILLION

UVA's Investment in Matching Funds for Bicentennial Scholarships, as of March 2020

90%

Of undergraduates were admitted from *TOP 10%* of their high school class

2,778

FIRST-GENERATION COLLEGE STUDENTS
